

## **STEEL, THE WAY YOU WANT IT.**

Welcome at the Stockiest of JSW and POSCO which is the backbone of all around development in this country. M/s GEETA UDYOG is situated in the financial Capital of the country, MUMBAI-INDIA.

In the year 1980 May a seed was germinated and name GEETA UDYOG.

The companies fortune lies in distributing Steel to a large base of Customers with varied scale of operations and customizing ourselves in order to cater to our customers requirements.

By the year 2010 the company opened its service center at Taloja. This has in turn helped the company in gaining strength in terms of our customer base and spreading our reach to various locations which a much sorted objective for the organization to pursue its growth.

Trust is continuing theme at Geeta Udyog. While the trust of its customers has given them a place at the top, which is repays in kind Geeta Udyog also considers its duty to repay its dues by taking care of those who find themselves in less fortunate situations.

From 3 employees in 1980 Geeta Udyog has currently 50 employees on its rolls. In the year 1980 from a only trading organization our focus has shifted to OEM supply. Today we have a mix of market as well as OEM. We have a long standing mutual relationship with our principal

suppliers to enhance the marketing of their products with the best facilities and efforts to grow year on year.

Today Geeta Udyog is lifting 60000 M.T of CRCA GP/GC and color coated per annum.

Today we are supplying material to the whole of Maharashtra and other parts of India. As our company is one of the leading Stockiest it keeps about 5000 M.T. of Steel in ready Stock.
